SUBJECT: 2nd Annual "Golf For Kids" Golf Tournament to Benefit the Normandy Shores Golf

Club USGA Youth Clinics

This Letter To Commission is provided to invite you to join us at the 2nd Annual "Golf For Kids" Golf Tournament to benefit the City's USGA (United States Golf Association) supported youth golf clinics, offered at the Normandy Shores Golf Club as a program of our Parks and Recreation Department. The event will be held at the Normandy Shores Golf Club on Friday, October 29, 2010 with a 1:00 P.M. Shotgun start. Event activities will include a putting contest, a longest drive contest and a "closest to the pin" competition. The tournament will conclude with an awards reception when all golfers complete their rounds.

The event is being hosted to generate funds to continue our successful 18 week golf clinic that began in the spring 2009 to benefit children from the North Shore Park and Youth Center. The two hour per week instructional program is taught by our PGA (Professional Golf Association) certified instructors from PCM (Professional Course Management).

Please contact Parks Director Kevin Smith if you are interested in playing in the tournament as our quest. If you know of golfers interested in playing in the tournament, or supporting the event as a sponsor, please have them contact the Normandy Shores Golf Club directly.

As always, please let me know if you have any questions. I hope to see you October 29th at this great event!
